
Specific Procurement Notice – Request for Bids without Prequalification

Request for Bid
Sierra Leone National
Switch
(Design, Supply and Installation)
(Without Prequalification)

Purchaser: *Government of Sierra Leone*

Project: *Financial Inclusion Project*

Contract title: *Supply and Installation of the Sierra Leone National Switch*

Country: *Sierra Leone*

Credit No.: 6367-SL

RFB No: SL-MOFED-96344-GO-RFP

Issued on: *7th February, 2020.*

1. The *government of Sierra Leone has received* financing from the World Bank toward the cost of the financial inclusion project and intends to apply part of the proceeds toward payments under the contract ¹for Supply and installation of the National Switch Platform in Sierra Leone². For this contract, the Borrower shall process the payments using the Direct Payment disbursement method, as defined in the World Bank's Disbursement Guidelines for Investment Project Financing, except for those payments, which the contract provides to be made through letter of credit."
 2. The Project Fiduciary Management Unit (PFMU) now invites sealed Bids from eligible Bidders for implementing a national payment switching platform to facilitate the integration and interoperability of various financial payments providers licensed and approved by Bank of Sierra Leone (BSL) to promote faster payments and digital financial services in Sierra Leone.; The solution will enable interoperability by having connection to various Financial Switches, BSL RTGS, Third party service provider's, Mobile money operators, the International gateway, and fintech innovators. The objective is to facilitate efficient and wider financial services access across country and accelerate growth of digital financial services and reduce usage of cash. *The intended*
-

switch shall provide interoperability to existing financial service providers' switches and allow for future scalability to accommodate further payment services such as card production, ATM and POS management, connectivity to regional and international gateways. The switch provider should take into consideration that BSL intends to launch this national switch to live operation with functionality for switching ATM, POS, and Mobile transactions within 12-18 months from contract signature. The switch solution will be installed at BSL primary and disaster recovery sites..

3. Bidding will be conducted through international competitive procurement using Request for Bids (RFB) as specified in the World Bank's "Procurement Regulations for IPF Borrowers" July 2016, Revised November 2017 ("Procurement Regulations"), and is open to all eligible Bidders as defined in the Procurement Regulations.
